PROFESSIONAL EXPERIENCE

Research Author - Kiul Nadi (Book in Progress) - Independent

Mar 2026 – Present

Giridih / New Delhi, India

- Writing narrative non-fiction on the ecological, cultural, and socioeconomic dimensions of the Kiul River system in Jharkhand, spanning roughly 19 lakh residents across three districts.
- Field research in Giridih's Tisri block on mapping drainage networks, documenting tribal cultural practices, and tracking how deforestation and sand mining are changing water flow.
- Drawing on oral histories, government records, and community-level conservation case studies to build a research narrative grounded in both lived experience and documentation.

Documentation Consultant - Savera Foundation

Jan 2026 – Mar 2026

Giridih, Jharkhand / New Delhi, India

- Wrote a 7-year (2018-2025) bilingual impact report for an NGO working across 10 villages, combining survey data with community narratives.
- Analysed a baseline survey of 529 households (approx. 2,706 residents), found approx. 160% rise in cropping intensity and 60% adoption of organic farming over the project period.
- Turned beneficiary data and technical findings into a public-facing document the NGO could use with donors and partners.

Legislative Associate to Members of Parliament - Bharat Rashtra Samithi

Aug 2024 – Feb 2026

New Delhi, India

- Researched policy across energy, infrastructure, PNG, Coal & Mines, and public grievances, producing reports and briefing material for Parliamentary Standing Committee meetings.
- Drafted 30+ parliamentary questions (8 balloted in the starred category); wrote Zero Hour Mentions, Special Mentions, and debate speeches on tight turnarounds.
- Liaised with government ministries, railway officials, and constituency stakeholders on advocacy and policy-communications strategy.

Legislative Advisor & Consultant (Data Intelligence) - AICC

Feb 2024 – Feb 2026

New Delhi, India

- Led research teams of 15 across 5 units, delivering policy datasets with a 95% on-time accuracy rate for campaign and outreach strategy.
- Designed stakeholder engagement frameworks and training protocols; trained and managed 60 interns across six states in political research methods and constituency-level data analysis.

Core Team Member at Shakti Abhiyan - All India Congress Committee (INC)

Jun 2025 – Oct 2025

New Delhi, India

- Coordinated state, zonal, and district teams across 8 states for INC's flagship women's political leadership programme, running operations from induction through review.
- Created social media content for Twitter/X and other platforms, and ran fortnightly coordination and capacity-building sessions.
- Led strategic planning and induction of new leaders; recognised for this and offered the role of National Office Bearer.

Public Policy Research Intern - CRFHGR

Feb 2024 – Mar 2024

Hyderabad, India

- Researched the National Judicial Appointments Commission and compared judicial systems across 10+ countries.
- Wrote public-facing articles based on the research.

Operations & Strategy Analyst - Shopdeck (Blitzscale Technologies)

Dec 2022 – Oct 2023

Bengaluru, India

- Improved e-commerce quality standards by 30% through a 100-point compliance framework, cutting customer complaints by 20%; represented the company in client meetings as client retention rose 30%.

Data Research Analyst - S&P Global Market Intelligence
Ahmedabad, India

May 2019 – May 2021

- Built executive compensation and capital-markets datasets for globally listed US and Canadian firms; mentored new analysts and helped improve team workflows. Awarded Rockstar Rookie Award for Excellence in Data Research.

PUBLICATIONS & DIGITAL CONTENT

- Independent policy commentary and opinion writing, ‘**The Right to Breastfeed Means Little Without a Place For Mothers to Do It**’ published in [The Quint](#).
- Prepared draft article on ‘**Beyond Welfare Announcements in Uttar Pradesh**’

RESEARCH PROJECTS

- **MGNREGA State Comparison | R-Based Policy Analysis**
Built a reproducible R workflow to compare employment days, women’s participation, wages and 100-day work completion across five Indian states from 2022–23 to 2024–25 and produced a data-driven [policy brief](#) and visualisations
- **Women’s Employment in Uttar Pradesh | PLFS Analysis**
Analysed PLFS 2023–24 data using R to examine women’s employment patterns in Uttar Pradesh; found that 90% of rural female workers were own-account workers, employers or helpers in household enterprises. [View project](#)
